Dear Sir/ Madam:

APPLICATION FOR THE SENIOR JAVA SOFTWARE ENGINEER BACKEND

I read with interest your advertisement in the website <http://tloker.com/id/jobs/view/300395> about a job vacancy for the Senior Java Software Engineer Backend and would appreciate if you could consider my application. I am 23 years old and single. I am graduated from Politeknik Negeri Malang majoring at Informatics Engineering Study Program) with GPA= 3.80.

As you will note from my enclosed CV, I have a thorough knowledge about computer and have experience in designing and developing Spring Boot and Core Java through part-time employment. Moreover, I have a-four-year experience as a computer programmer in a reputable medium enterprise in Surabaya. I believe my education, skills, and experiences fit your requirements, and would be an asset to your company. I hope I may be granted an interview at which I would be pleased to provide any further information you may need. I am looking forward to hearing from you.

Yours faithfully,

Syahreza Maulana
